

## swingo® 2100micro

### Experience the difference

The TASKI swingo 2100micro represents an evolution in micro ride on scrubber driers. Combining compact design with an unchallenged performance, it offers high flexibility for operations beyond traditional boundaries.

- Unrivalled performance
- Advanced design
- Intelligent total solution

#### Unrivalled performance

The TASKI swingo 2100micro offers unrivalled performance, benefiting from the combination of speed, small footprint, agility and large tank size. An offset cleaning function allows reduction of manual work and seamless cleaning in large and small areas with the highest possible cleaning result and supporting a low total cost of ownership.

The compact size of the machine allows it to fit into most common elevators. It can easily be transported to all floors of a site.

#### Advanced design

Performance only has real value when safety is not compromised. TASKI swingo 2100micro combines great overview, ergonomic working and high safety standards, benefiting from a protective tank design, active sitting concept and many other safety features.

Simple and efficient machine preparation and maintenance increases operational efficiency and reduces need for time consuming operator training.

#### Intelligent total solution

TASKI swingo 2100micro revolutionizes today's cleaning processes improve your operational efficiency. The combination of a large variety of options, accessories and tools (TASKI IntelliDose, TASKI IntelliTrail, TASKI AquaStop, ToolHolder concept) allows individual adaptation to your needs, helping you achieve improvement of your total cost of ownership.

Technical data			
Theoretical performance	3025 m <sup>2</sup> /h	Solution/Recovery tank	75 L/75 L 24 V
Theoretical performance per tank	5000	Rated voltage	1440 W < 4h 185
Working width	m <sup>2</sup> /tank 55	Nominal consumption	kg
Offset function	cm 14 cm 2 x	Battery run time	380 kg
Brush system	28 cm	Machine weight net	138 x 58 x 128
Brush pressure maximum	up to 57 kg	Machine weight – ready to use (without operator)	cm
Brush speed	190 rpm	Dimensions (L x W x H)	< 70 dB(A)
Squeegee width	63 cm	Noise level	GS, CB/II
Cleaning speed	< 5.5 km/h	Approvals/Protection class	

Model	Article code
TASK® swingo® 2100µmicro BMS EURO	7523420
I®swingo® 2100µmicro	7523409

Accessories/Additional tools	Article code
TASKI® IntelliDose® TASKI® swingo® 2100µmicro	7523412
TASKI® IntelliTrail®	7523390
TASKI® swingo® 2100µmicro TASKI® AquaStop	7523413
TASKI® swingo® 2100µmicro tool holder base – large	7523414
TASKI® swingo® 2100µmicro tool holder base – small	7523415
Kit wet vacuum cleaning standard	8504490
TASKI® vertica	7501650
Filling hose with universal water coupling	8502830
TASKI® swingo® 2100µmicro long draining hose	7523500
Battery traction 6 V, 180 Ah/5	7514962
Battery traction block 12 V / 105 Ah	7517621
Scrubbing brush 28	7519395
Scrubbing abrasive 28	7510 6 3 3
Driving disc 28 harpoon grip	7510 6 3 4
