

ergodisc® 200

Low-speed single disc machine – for cost-efficient, standard-speed cleaning

Key features

••• Ergonomics

Safety

The ergodisc 200 is especially suited for the following tasks:

Versatility

- wet scrubbing, stripping, buffing, spray cleaning
- wet shampooing

Ergonomics

Better working conditions improve productivity through:

- Anatomically formed grip
- Adjustable handle bar height
- Low vibration level
- Low noise level
- Soft start characteristics

Safety

Creates a safer working environment through:

- Hand protection due to closed handle
- High electrical safety due to double insulation
- Double safety lock

Simplicity

Ease of use results in improved efficiency through ease of:

- Training and operation
- Attachment of accessories, no tools required
- Storage and transportation, enabled by a foldable handle

Versatility

Multi-purpose, cost-efficient machine:

- Adaptable to many different cleaning tasks
- Full range of accessories available
