

vacumat 44 T

Mains-powered wet/dry vacuum cleaner

Key features

- Improved productivity
- Excellent suction performance
- Ergonomic operation
- Robustness and durability

Improved productivity

Medium-to-large-sized areas can be cleaned up to three times faster compared with conventional wet / dry vacuuming methods. Used together with a TASKI ergodisc for basic cleaning tasks such as stripping or wet scrubbing leads to significant productivity increases. This results in total cost efficiency and convenience for the operator.

Excellent suction performance

The fixomat squeegee ensures efficient water pick-up and gives streak-free, excellent drying results. For cleaning of spillages, small areas or any other customer-specific need, the machine can be equipped with a variety of accessories for wet and dry cleaning.

Ergonomic operation

The tilt system and comfortable handle grip on the container makes emptying of the container ergonomic and easy. The adjustable handle ensures comfort and ergonomics during operation.

Robustness and durability

A specially-designed mechanical float system with a dual filter guarantees double protection of the motor unit and significantly prolonged service life. The canister, which is resistant to shocks and chemicals, ensures high durability.

Technical data			
Container capacity: wet	44 L 44 L	Dimensions (LxWxH)	830 x 530 x 930 mm
Container capacity: dry	70 L 64	Cable length Wheels	15 m
Container volume	cm 23 kg	Wheel diameter	2
Squeegee width	67 dB(A)	Castors Castor	200 mm
Weight with cable	2 x 950 W	diameter Protection	2
Sound level	2 x 22 kPa	class Approvals	75 mm
Nominal consumption	2 x 50 L/s		II
Vacuum			CE/CCA Cenelec
Max airflow			

The above data is typical of normal production and should not be taken as a specification.

Product
TASKI vacumat 44 T (incl. trolley; without fixomat squeegee)

Accessories / additional parts	SKU Number
Fixomat squeegee set Wet vacuuming kit – premium	8505 420
Wet vacuuming kit – standard	8504480
Aluminium nozzle with fixed squeegee blade	8504490
Plastic nozzle with fixed squeegee blade	8500490
	8502390
