Water Gel for Hands

- Optimal balance of sanitization properties and comfort of application due to the alcohol based formula >70% v/v with lemon essential oil and vegetal glycerin.
- Formula based on plant gels, derived from cellulose and natural ethanol obtained from the fermentation of European beetroot and wheat (GMO Free).
- Pack of four cartridges. Easy to replace.
- To be used whenever there is a need to sanitize hands
- without water.
- Respects the natural balance of your skin.
- Hygiene: Disposable cartridges with trigger pumps reduce cross-contamination.
- WARNING: Flammable.

Produced according to UNI EN ISO 22716 GMP, UNI EN ISO 9001 and 14001.
